2016
ALBARINO
RED HILLS
LAKE COUNTY

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Northern California.

The Vinicultural Society explores clonal selections, varietals and the incredible terroir of California. In keeping with the adventurous spirit of Buena Vista's founding, we are proud to bring you this delicious 2016 Albariño, known for being lightly colored but aromatic with high acid and bright fruit flavors.

From a steep vineyard in the Red Hills of Lake County, this high elevation vineyard is devigorated with rocky soil and low yields. The red dirt gives the appellation its name and causes the vines to strain, producing small clusters and concentrated flavors.

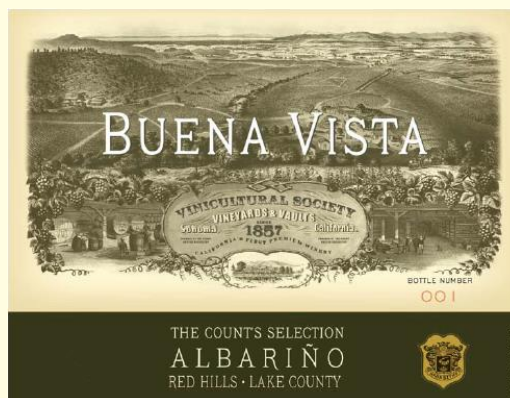

Our 2016 Albariño is an elegantly balanced and creamy white wine that spreads across your pallet creating a rich yet soft flavor. It opens with floral aromas and hints of musk melon and white plum. The combination of flavors and fragrances creates a savory wine that perfectly pairs with oysters and a variety of fish.
