CHARBONO
CALISTOGA
NAPA COUNTY

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Northern California.

The Count's Selection Charbono hails from the Shypoke Vineyard's old vines (50+ years old) which are situated on the valley floor of Napa County in warm Calistoga. Also known as Bernardo, there are very few vineyards left planted to this unique varietal that was one of many brought back by the Count during his vine collecting expedition to Europe.

Our 2014 vintage was picked on October 3rd and was 100% barrel-aged for 16 months in French oak barrels, 25% new oak.

A rich ruby color in the glass, our 2014 Count's Selection Charbono offers enticing aromas of blackberry and subtle spice. Flavors of black cherry, rhubarb and blueberry with hints of cola are balanced with an earthy spiciness. This medium bodied wine offers big tannins which will allow it to age beautifully over the next 5-10 years.
