VINICULTURAL SOCIETY

2018
CINSAULT ROSE
SONOMA COUNTY

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Northern California.

In keeping with the adventurous spirit of Buena Vista's founding, we are proud to bring you this delicious 2018 Cinsault Rosé, known for being lightly pink in color and beautifully fragrant with high acid and bright fruit flavors.

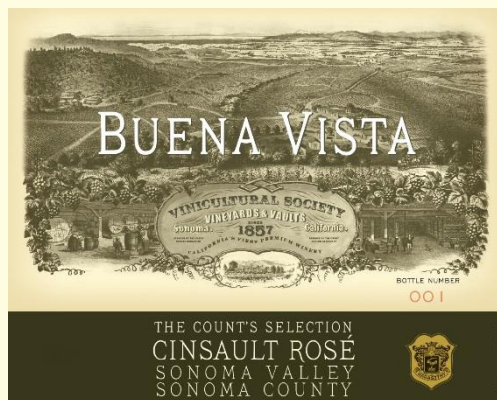

Harvested from prestigious vineyards in Sonoma Valley, this beautiful Rosé was picked at its peak of perfection. This delicate grape was aged in stainless steel to maintain its bright acidity and fresh flavor. From the glass, our 2018 Cinsault Rosé is bursting with aromas of wild strawberry and rose water. On the palate, alluring flavors of ripe cherry, juicy raspberry and a touch of orange peel lead to a crisp, well-balanced wine with high acidity and structure.
