## VINICULTURAL SOCIETY

2015  
PINOT GRIS  
SONOMA VALLEY  
SONOMA COUNTY

The Buena Vista Vinicultural Society, formed in 1863 by the winery's founder, Count Agoston Haraszthy to further improve its winemaking prowess and expand its vineyards, has been restored as a collection of unique small-production wines that honor the winery's pioneering spirit and contribution to California winemaking. The Vinicultural Society explores clonal selections, varietals and the incredible terroir of Northern California.

The Count identified the Sonoma Valley climate and soil as the optimal location within the County for growing quality Pinot Gris. We honor his vision with

The Count's Selection Pinot Gris. Picked September 14, it was fermented in stainless steel tanks with a small amount in neutral oak. The lees were stirred for the first several months of aging to add depth of flavor without malolactic fermentation.

The 2015 vintage of our Count's Selection Pinot Gris opens with enticing aromatics of honeysuckle and white fruits with a touch of white pepper. Upon the palate, flavors of strawberry, peach and apricot treat the palate. Soft and light with moderate acidity, this is the perfect wine for a warm summer evening apéritif.
