### SONOMA COUNTY PINOT NOIR

With its roots so deeply enconced in the foundations of Sonoma where it was established in 1857, Buena Vista Winery is again introducing wines from Sonoma. The Sonoma wines include a diverse array of varietals that celebrate the diversity of Sonoma's terroir and the contribution of Buena Vista to establishing the California wine world.

The 2013 vintage in Sonoma County was one of the earliest harvested vintages in years. A warm spring led to early bud break and created the perfect environment for flowering and fruit set. With warm days and cool nights, our team was able to maintain ideal acid levels with optimum, bright fruit flavors.

Our 2013 vintage of Sonoma County Pinot Noir was harvested from our vineyard partners in various regions of the Sonoma County appellation to craft a wine that was immediately enjoyable upon release. Our 2013 offering opens with bright red fruit aromas that are elegantly accented by floral notes. The wine displays a medium weight and texture on the palate with red berry and cola flavors that entice the senses before culminating in a lengthy finish that begs for another sip.
