

## Why N°39?

Each JCB wine is known by a number. And each number has deep significance for Jean-Charles Boisset, the collection's creator and namesake.

The year was 1939. Germany had just invaded Poland and France was rallying its troops to come to the aid of their ally. While this world of chaos was unraveling, a young couple had fallen in love.

They married the day before he set out to serve his country, and although the wait was long and painful, she knew he would return safe one day, as she was an **INTUITIVE** soul.

After three **ADVENTUROUS** years, he returned home to the loving and **FAITHFUL** arms of his wife and now three-year old daughter, who he was just now meeting for the first time.

The couple are the grandparents of Jean-Charles Boisset.
