## 2010 OFS ZINFANDEL

### In the Vineyard

Sourced and hand harvested from Alegria, Becnel and Boschetti Vineyards, some of Russian River Valley's premier Zinfandel vineyards, the fruit for this delicious wine was chosen for superior quality and variety. In warmer reaches of the valley where old vines persevere, grapes ripen over an extended season to develop wonderfully complex flavors.

### Conversations with the Winemaker

Following careful cluster sorting, each pick is fermented separately with select yeast strains in both small open-top French oak vats and stainless steel tanks. The wine is gently pressed off and aged in oak before the winemakers' barrel selection to blend this, Our Finest Selection.

### Tasting Notes

This deep ruby colored wine showcases aromas and flavors of baked cherry pie with a hint of chocolate orange. It is a medium-bodied wine with the perfect balance of structure and acid leading to a medium-long finish. The perfect accompaniment to many roasted meat dishes with savory sauce.
