ABOUT THE VINTAGE

2021 was a smooth and uneventful harvest season. June started out warm, followed by a cool and foggy July and August that slowed ripening and caused nice retention of acidity. Even ripening, with no extreme heat events, made for ideal growing conditions. Sparse winter rains resulted in an early budbreak, evenly developed clusters, and smaller berries packed full of flavor. Overall, the fruit was exceptional, making it another amazing year for quality.

IN THE VINEYARDS

The Family Classic Chardonnay is sourced from the finest vineyards throughout California, with each area adding a unique layer into the overall taste profile. Minimally intrusive winemaking techniques allow the true California terroir to shine through in every glass poured and bottle enjoyed.

WINE PROFILE

This 2021 Sauvignon Blanc was harvested from grapes at optimal ripeness. Aromas of lemon, passion and stone fruit are vibrant on the nose. The palate begins with bright, crisp acidity, that wraps around crisp apple, kiwi, and honeydew melon notes. A refreshing balance of fruit lingers on the finish with a hint of freshly squeezed tangerine.
