

## Wonderful Mexico

Without a doubt, Mexico City never sleeps. We'll always have something to do, and in this program, we'll be able to discover the most famous sites in our country's capital and its surrounding areas.

### Day 1 - Mexico City

Reception at Mexico City's Benito Juárez International Airport, transfer to the hotel of your choice and accommodation.

### Day 2 - Turibus

Breakfast. Today we will travel through Mexico's history aboard the Turibus, visiting its most representative attractions: archaeological, colonial, modern, and contemporary, on a fun and cultural tour. It has up to 21 stops where you can get off and explore the city on foot. After a short break, you can reboard and continue your tour. If you prefer, you can take the second tour, transferring at the Cibeles Fountain stop, for a more comprehensive trip (one-day pass does not include transfers to the Turibus station).

### Day 3 - Basilica of Guadalupe / Pyramids of Teotihuacán

Breakfast. We will begin our tour by visiting the Plaza of the Three Cultures, where the past and present intermingle. From there, we will continue to the impressive archaeological site of Teotihuacán, where we will visit the monumental Pyramids of the Sun and Moon, the Temple of Quetzalpapalotl, the citadel, and the Avenue of the Dead. We will also visit a craft center. Upon returning to the city, we will visit the Basilica of Our Lady of Guadalupe, Patron Saint of the Americas. Return to the hotel and rest of the day at leisure.

Then, we'll visit Xochimilco, a World Heritage Site, where we'll take a ride on an Aztec boat. We'll also visit the wonderful Coyoacán neighborhood, its 16th-century mansions, and the Church of San Juan Bautista with its impressive paintings. (Wednesday afternoons, other days in the mornings.)

We will then visit one of the treasures of the Sierra Madre: Taxco, the "Silver Capital of the World." We will visit the famous Baroque parish of Santa Prisca and walk through its
