Let's admit it, we want to be beautiful and successful. But could these marks of being an empowered woman actually be idols requiring our slavish devotion? If you have struggled with this, you probably know the feeling that you will never be pretty or perfect enough. In *Never Enough*, Sarah Ivill discusses issues related to body image and performance as she shares about her past addiction to thinness and fitness. In the process, she confronts five common lies women of all ages fall prey to and points us back to our acceptance in Christ, where ...

## Adrenaline for the Soul

Category: General

### Title Description

In a crisis, the body's burst of adrenaline can boost the average person's physical abilities, so that a man is able to lift a car off a trapped bicyclist and a mother can fight off a polar bear threatening her son. Author Mark Chanski makes the case that encouragement is able to do emotionally and psychologically for the soul what adrenaline does for the body. While Christians are sometimes reluctant to offer encouragement, we must do so in order to love our neighbors as ourselves. Building on the foundation of the gospel as the ultimate e...

## God's Battle Plan for the Mind

### The Puritan Practice of Biblical Meditation

#### Title Description

During the seventeenth century, English Puritan pastors often encouraged their congregations in the spiritual discipline of meditating on God and His Word. Today, however, much of evangelicalism is either ignorant of or turned off to the idea of meditation. In *God's Battle Plan for the Mind*, pastor David Saxton seeks to convince God's people of the absolute necessity for personal meditation and motivate them to begin this work themselves. But he has not done this alone. Rather, he has labored through numerous Puritan works in order to bring...

We hope this will help purchasers of Puritan books, interest other readers in the Puritans, and guide those already immersed in Puritan literature to...

### Title Description

Talk is cheap, and so is a profession of faith apart from repentance. But we live in a day when people put more stock in a once-said prayer than a life reflective of a renewed heart. Taking Matthew 7:13–27 as his text, Paul Washer reminds us of Jesus’s insistence that His way is narrow, and that its travelers will bear good fruit and rest on the solid foundation of God’s Word. Neglecting these warnings from Christ have left many on the broad road to destruction. Don’t think you are heading to heaven if you are not following the way of t...

## Living in a Godly Marriage

**Category:** Love & Marriage

### Title Description

The Puritans believed that godly marriages were foundational for the future life of families, churches, and nations. Therefore, they wrote prolifically on the subject of marriage, seeking to bring biblical reformation to this subject in a comprehensive way. Martin Luther, John Calvin, and other previous Reformers had begun this task, but the Puritans took it much further, writing a number of detailed treatises on how to live as godly spouses. Out of the wealth of material available to us from the seventeenth century, Joel R. Beeke and James A. ...
