### Reviews

PUBLISHERS WEEKLY--"Set in 1923 England, this sprightly series launch from Rosett (the Ellie Avery series), introduces plucky Olive Belgrave, who leaves her father's home in the village of Nether Woodsmoor for London when it becomes clear that her young stepmother resents her presence and would like nothing more than to marry her off to the sweaty local curate. However, 'a young woman with a classical education and extensive training in how to be a lady' is not a good candidate for employment, and she struggles to find work. When Olive...
