

Children's Books

Title Description

"Olivier, 13 years old, had to move with his parents to the countryside: his mother is a historygeography teacher and has been posted in Arville, an old town that can pride itself on having a commandery that traces back to the Knights of the Templars and their commander. While walking his friend Thomas's dog, Olivier watches heavy work in a neighboring property and notices horrified that the shovel falls into a huge hole. Obviously, curiosity forced Olivier to go back to the neighbors' property and, to his great a...
