

LMBPN® Publishing - The Kurtherian® Gambit Series

From Dragon* Award finalist and Amazon* top-selling author Michael Anderle comes a gripping and exciting series with a large global fan base. Bethany Anne, the strong female protagonist, undergoes physical modifications that turn her into a formidable warrior, righteous and willing to fight to protect anyone who needs help. Her strong ethics, fearlessness, and honesty engender respect from a team of warriors who work with her to devise strategies and tactics to fight the UnknownWorld. Unfortunately, her physical modifications bring about massive challenges that require grit and determination to address and overcome. The twist? Aliens have been modifying humans for millennia. The main character sets out to save Earth from despotically-minded modified humans and aliens bent on subjugating the planet. (*Brand names property of their respective owners.)
