Vessel Introduction

2018 Pershing 70 "BAD DADDY"

With a truly unique personality, **Bad Daddy** represents a new generation of Pershing and captivates buyers who seek a yacht with unique style that is recognizable at a glance. She is the essence of elegance, speed, power. beauty, and technology. ***One of the last, best 70 Pershings with extended engine warrnaites and a factory sea keeper!***

Loaded with extras and immaculately maintained, she is easy to see in Palm Beach, FL.

With a truly unique personality, Bad Daddy represents a new generation of Pershing and captivates buyers who seek a yacht with unique style that is recognizable at a glance. She is the essence of elegance, speed, power. beauty, and technology. Adding a top system 85p surface-piercing propellers, the Bad Daddy can reach an astonishing maximum speed of 46 knots and cruising speed of 40 knots.

Watching the world quickly slip by as you relax peacefully in a soft and hushed place, free and protected. It sounds like the introduction to a meditation course, but it is exactly what you will experience while seated comfortably in the cockpit, enveloped by silence, while your Pershing 70 plows the waves at over 46 knots and the sea whisks by in the side windows. The merit of this phenomenal mixture of speed, comfort and performance (the Pershing 70's performance and consumption peak is at 39 knots!) is down to the design that merges good looks and function with the fundamental role of technology and the power of its engines. One just has to take a look at the latest generation Autotrim that makes driving easy even for the inexperienced, and even more fun for those who want to put their foot down. In any case, life on board will be lit by the large glass surfaces and the luxurious and sophisticated interiors with three cabins with bathroom and an automation system worthy of larger yachts. And for those who watch you from the dock or from another boat, the two large side wings will be the sign that Pershing has once again created an enviable masterpiece.
