Teaching with the Craft –

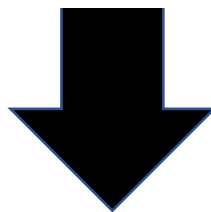

Since the very first sin that man committed in the Garden of Eden, we have all been born with a natural desire to sin. When we get to know God and how much He loves us, we will find out that He still loves us no matter what. God wants us to know that we can tell Him anything! After all, He is the one who created us, right? 1 John 1:9 says, “But if we confess our sins, he will forgive our sins. We can trust God. He does what is right. He will make us clean from all the wrongs we have done. When we tell God about the things we have done because we have disobeyed His rules of loving Him and loving others, He wants us to know that He forgives us and loves us as His children, and we don’t have to feel bad about ourselves. We can jump up and down and be happy that we are forgiven!

Write the words, “My Sins” on the chalkboard with chalk. Say the Bible Verse out loud, then erase the words you just wrote. Now, write the word, “Forgiven!”.
