

TABLE TALK

For the Week of June 14, 2020

Were you able to attend the drive-in service?!

Impressions? What did you love most?

What did you find you missed most?

Pray for each other – health and jobs – family and relationships

Pray for the community – for people to turn to Christ in faith

Pray for the Nation – healthcare staff, National leaders

We began the Sunday message with four points about God that don't change:

1. God's power hasn't changed.
2. God's provision hasn't changed.
3. God's promises haven't changed.
4. God's purpose hasn't changed.

Because God doesn't change, we can have confidence to bank in on His care.

That care is a part of our personal development:

⁵ For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; ⁶ and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; ⁷ and to godliness, mutual affection; and to mutual affection, love.

2 Peter 1:5-7

What jumps out to you?

What does the sequence imply?

What if we're good at some, failing at others – what happens then?

Does anyone see these as building blocks in sequence?

And love – why is love at the end?

If we could RESET – what would we do differently?

What one step could we be making right now?

Close with prayer for personal character development –
