

God often uses people who are least likely to succeed. There is nothing about them that gives us the slightest impression that they can accomplish anything of significance. The key is not their talent or lack thereof, nor is the most important thing their treasure. Why is it that God can do such amazing things through people of such modest wealth or ability? A better question is, "What does God want to do through you?" What are you willing to join God in accomplishing? Service to others begins with surrender to self.

You have the opportunity today to grow your faith and be encouraged by new friends. Our worship team and band will lead in singing vibrant, encouraging music. God loves you and has a wonderful plan for your life. Sunday morning can be a nice boost for your soul and one of the best hours of your week.

If you are visiting with us for the first time today, please fill out a Communication Card from the back of the pew and place it in the offering plate. Or, if you have prayer requests that you would like to share with our prayer team, you can put that on the Communication Card as well and someone will be praying for your request throughout the week.

Thanks again for being here and feel free to enjoy a cup of coffee or tea in the foyer.

Pastor Billy

New Membership Class

What is a Christian? What does our church believe? How are we organized? What is our mission? How can you help us accomplish that? What difference does church membership make anyway? Good questions. We answer these in this class taught by our pastor on Wednesdays starting May 22 from 6:15-7:15 pm. The classes will continue until June 19.

Verse of the Month

*"Trust in the LORD with all your heart,
and do not rely on your own
understanding;

KidsFest

Just before the sermon, children Kindergarten through grade 5 go to the gymnasium for an action-packed, fun learning time. Please make sure your child is properly registered. Their lesson theme today is "Jesus will return to earth some day."

Women & Girls Banquet May 11

Our guest speaker will be Valerie Jones who is the Chair of the Teacher Education Department at Ohio Christian University. As usual, our men will provide childcare as needed for preschoolers or children if needed and they will provide set up and clean up. Today is the last day to purchase tickets in the foyer at \$10 per person or \$5 per preschool girls or elementary girls under 12 who eat at the banquet. Doors open at 5:30 pm and the meal begins at 6:00 pm.

Nursery Available

We have a well-staffed preschool area for bed babies until before Kindergarten. They have a safe, fun learning area and study a lesson each week. It is more than babysitting. They are disciples too!

All volunteers who work with minors have had background checks and training.

Women On Mission

Our Women on Mission will be collecting items for the Hope House (men's and family shelter). A box is in the foyer with a list of items they use monthly. We will be collecting items each month.
