

## POINTS OF THE SPEER

The primary trait that is supposed to identify individuals as Christians is love. "By this shall all men know that you are my disciples if you love one another." (John 13:35) It was the love of God that prepared the way for us to come into God's family in the first place. "For God so loved the world that He gave His only begotten Son that whosoever believes in Him should not perish but have everlasting life." (John 3:16) If love prepared a way for us to know God and that same love marks us as God's children, then shouldn't God's love reign in everything we do? I have been blessed to be the pastor of one of God's great churches. Yes, Northside Baptist Church though not the largest or wealthiest church, is a place where God continually shares His great love. When you care for one another, pray for one another, encourage one another and lift up one another in the love of our Lord you demonstrate His greatness. God has given us a great treasure in our church fellowship. It is a treasure that is really too wonderful to keep to ourselves.

I encourage you to reach out to our church family members with words of hope, care and love. Then take that same spirit from the Lord and reach out to those who do not have a church home. There are people all around us who are hungering for someone to honestly care. It is time to share the blessing we enjoy at Northside Baptist Church with a world that is desperate for God's love.

Thankful for a loving church family,

## Music Ministry

Majesty, Lord of all  
Let every throne before Him fall.  
The King of Kings, O come adore  
Our God who reigns forever more.

Thank you Jesus for the price you paid on the cross for everyone! We don't deserve the love, compassion and grace that was shown on the cross, but God knew we needed it. The more we see how we're saved from sin, the more excited we become by the love God shows to us everyday. We are changed when we accept Christ into our hearts and the Holy Spirit leads us to do better things for God.
