Dear Followers of Jesus,

I greet you on this day and pray that the peace and power of Christ be at work in your life and in your neighborhood.

We have spent months listening for the dream of God for the world and trying to catch the dream of God for our church.

MAP we made a map pointing to ways God is NOW active in our community through our lives.

Money is given to South Lincoln Resources, Saturday breakfast, housing help.

Help is given to neighbors by weeding, mowing lawns, driving people to appointments, fixing things.

Ideas and leadership are shared at South Lincoln Resources, community boards.

Love is expressed through sending cards, calling the lonely, making visits, checking on neighbors.

Faith is shared through Bible studies, praying with friends and neighbors.

LOVE LETTER - If you were in worship this past Sunday, you heard Wendy invite you to write a love letter to TOMMORROW. The context was the love the apostle Paul wrote in his letter to the Ephesians (I pray that, according to the riches of God's glory, it is granted that you be strengthened in your inner being with power through his Spirit, ¹⁷ and that Christ may dwell in your hearts through faith, as you are being rooted and grounded in love. Eph. 3:16)

Paul wrote those words, and their impact touched the church in Ephesus **and** has also trickled down to impact us today.

You were invited to write a letter to someone you care about and wanted to impact their future with love and wisdom.

PROMPT - Dear X, I pray that you would know

And, you were asked to write a letter to CPCW, with **your hopes and vision** for the future of the church, your vision of the dream God has for us...

PROMPT - Dear Future Community Presbyterian Church, I see God's dream for you is...

Wendy asked that you **commit to writing these important letters soon.**

Send the personal letter to that person and send the church letter to the to the office, or bring it to worship, give it to Wendy or Mark.

A reminder, these are letters of God's VISION, as best you see it, not your own wishes or desires. **Not a wish** – a situation that you want but do not expect to happen.

Not a desire – a situation that is a wish full of emotion but no commitment.

A Dream (VISION) – a desire that captures the heart and mind and harnesses the resources of the group toward **action to make it real.**

I look forward, in faith, to what God will reveal in the future, about our future. Thank you for taking this journey, together.

Blessings, Pastor Wendy

Thank You!

Dear caring and loving friends,

Heartfelt gratitude and blessings to all of you for the many months of support—caring for Chuck when I was hospitalized, working to sell the Driftwood home, and the heartwarming memorial for Chuck along with that lovely reception. And the Food—on my! Special recipes in abundance, along with all the set-up and clean-up afterwards. I appreciate the hours and efforts spent and know it doesn't "just happen".

Chuck is in Church Triumphant, but I do miss him, all of you, and the beautiful sounds of the ocean. But God is good and has us where we need to be according to His plans. So be it.

Thank you for staying in touch, as Waldport will always be "home".

With love and blessings,

Sylvia Selden

Note from Joyce Read

Dear Friends:

We are good. Lyle is feeling better and doing good with his dizziness.

Our Grandson, Erik, has graduated from the university now and his parents were able to attend the ceremony. He has taken a job in Southern California. He was able to spend time with his daughters during the break.

We stay busy with our church and our church friends. We do miss all of you. How are things going? Keep in touch with us.

Love to all,

Joyce & Lyle
