The following is a pictural story of our recent vacation. This time for us was more of a pilgrimage than a relaxing vacation. For two weeks we explored the earth in the rock steps of Southern Utah. This region of the Earth shows its beauty through rocks, rivers, creeks, canyons, mountains, valleys, trees, sky, moon, sun, light, and shadow. Like rings of a tree, here the planet shows its age and history through rock. The differing layers show volcanos, earthquakes, oceans, forests, animals, and people from long ago. In these rocks you can see a story that goes back 180 million years. We were awe struck by light and shadow, rock, space, and time. All this is God's creation. Thank you for this gift of time.

Our 2nd day out we witnessed the ring of fire eclipse in Richfield, Utah

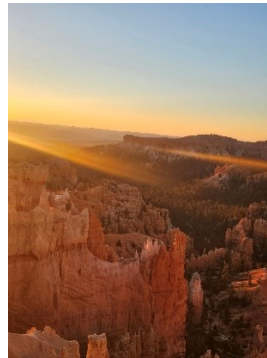

Here we camped just outside the Capital Reef National Park, we are in the tent.

South Lincoln Resources

South Lincoln Resources of Waldport is asking for your help as we continue our 40 years of service to the southern portion of Lincoln County. We serve the people of Waldport, Yachats, Seal Rock, Tidewater and Five Rivers.

Holiday Food Baskets : We help provide food and hope for the Thanksgiving and Christmas season. Last year we served 466 people in 174 families for Thanksgiving and 557 people in 220 families for Christmas.

We also help with the South County Christmas Program providing gifts to further brighten the season, last year delighting 133 children in 62 families.

Numbers are expected to increase this year as indicated from Waldport Food Share showing a 180% increase of people served this year.

Holiday Food Baskets rely on food and cash donations. We have great buying power through Food Share of Lincoln County, Ray's, Grocery Outlet and other generous sources.

We still provide Furniture, Appliances and Kitchenware and Durable Medical supplies. We still do the Emergency Voucher Program working with local churches. This service provides financial aid to help residents meet unexpected urgent needs.

We are still an all volunteer organization. We are a tax exempt non-profit organization helping families in need since 1983. We are located at 3710 Crestline Drive with our service partners Waldport Food Share and Adventist Clothing Share.

We thank you for your generosity.

Tonner Hays, President of SLR

New Bible Study starts November 2, 2023

Outline for a study of the Bible – how we got what we have.

Proposed four-week study. Thursdays, noon to 1 pm.

This is not exactly a bible study. Its more a study of the Bible. Each week we will explore one aspect of the book we hold and call, The Bible. Through history, language, archeology and Holy Spirit we will learn more about the story of the Bible. Each week we will also look at Bible passages that help us learn more about how the people of God, through the ages, have used and not used its words. Wendy Olson will lead the exploration.

What is “the bible”? Nov. 2nd

It is not a book, it's a Library Nov. 2.

We will look at the broad sweep of makes up the Bible and how the various components make the whole we now have.

Where did the Bible come from? Nov. 9

We will look at the origins of what we now have and some of the forces that shaped the journey.

How did the Bible become the Bible? Nov. 16

We will look at the process and parameters of made it in and what was out of this library. It's called canonization.

When does it stop? Nov. 30

We will explore the history and process of translations and the continuing shaping of the words we read.
