The Pastoral Nominating Committee

The Committee and the congregation met with
Rev. Dr. Brian Craker on
January 11, 2026
following the Worship Service.

It was a wonderful sharing of ideas and he explained
there are not enough pastors to go around.

He gave several examples of what we might do, such as share a pastor, or stream a pastor's
sermon during our worship service.

Brian said God had a plan for us and we need to be aware
when that plan comes along.

We were all very inspired by his talk with us!!

Ash Wednesday Service

**There will be an Ash Wednesday Service in the
Sanctuary on February 18, 2026, at
12Noon.**

Pastor Susan Mills will fill the pulpit and dispense ashes.

Please plan to attend this impressive start of Lent.

Per Capita

PER CAPITA: What is it and what does it cover?

The Presbytery of the Cascades (the church level just above the congregation) is a visible and functional connection between the 96 congregations scattered across Oregon and southern Washington. It is called to nurture, serve, represent, support, and encourage the congregations as they serve Jesus in their communities. Many resources go into this calling and connection.

Some resources we benefit from directly (administrative help, staff coming to preach, teach, and encourage, loans used to help build the fellowship hall, assistance in finding pastors, collecting and distributing emergency wildfire funds, technical advice and \$ to help with online worship...). ***Some things we will never take advantage of, but other congregations will.***

ADMINISTRATION: per capita funds some administrative functions of the denomination as it engages, equips and encourages congregations and their leaders.

MISSION: Per capita covers operational costs so 100% of mission dollars go directly to recipients.

LEADERSHIP: Presbytery and GA helped you find your past several pastors and pulpit supply, offered training and assistance for things like the active shooter training, Clerk and Session training, financial development.

HELP! During times of conflict, sexual misconduct, property issues, records, financing, liability, insurance, protection, legal advice and so much more.

Congregations share the cost of these greater connections. Through per capita we share equally, responsibly, and interdependently in the costs of being the Presbyterian Church (USA).

Per capita for 2026 is \$50.00. If you can, make a special contribution to cover your per capita. If you can't, don't worry. Someone else in this connectional church will bear that burden for you.

If you write a check to cover per capita, simply make that note on the memo line. Thank you for staying connected.
