## Missions Tree - A Christmas Opportunity

### Wesley House

Bless a child this Christmas! Starting November 15th you can adopt a foster child (ages newborn - 12 yrs. old) through Wesley House. You will receive a ornament with a child's age and a few ideas on their hobbies and other interests. Wesley House distributes the gifts to foster children around our community. You can do this individually, as a class, or with a friend. *(All gift items should be turned in by December 8th)*

### Conference Ramp Ministry

In May, 1999, the Meridian District began a Volunteers-in-Mission project to build handicapped ramps at the homes of people in need of them within the bounds of the district. This ministry, which began on a small scale, has continued for fourteen years and is going strong. To date they have now completed almost 900 ramp projects. Through the years, this has become an ecumenical group with members of many different churches from varied denominations helping to keep the ministry vital and growing. The ministry exists through faithful volunteers and through monetary donations.

### Heifer Project

Heifer International (also known as Heifer Project International) is a global nonprofit working to eradicate poverty and hunger through sustainable, values-based holistic community development. Heifer distributes animals, along with agricultural and values-based training, to families in need around the world as a means of providing self-sufficiency. Recipients must agree to "pass on the gift" by sharing animal offspring, as well as the skills and knowledge of animal husbandry and agricultural training with other impoverished families.
