## Wednesday Evening Activities

**January 24th** All Wednesday evening activities return tonight. Family Night Supper will resume at 5:30pm and Classes will begin at 6:00pm (This includes children, tweens, and youth) To sign up for Family Night Supper, please contact [info.psdumc@gmail.com](mailto:info.psdumc@gmail.com) by the Monday before.

For this first six weeks we are studying using resources from Kyle Idleman's book "Not a Fan." We will discuss what it means to be a follower of Jesus Christ. This video resource is one of hundreds found on Right Now Media. The church has partnered with Right Now Media to provide these tremendous study tools to everyone in the church. Some groups in the church have already joined Right Now Media and find it to be extremely beneficial. Join us on Wednesday Nights for fellowship, spiritual growth and to learn new ways you can take your walk with Christ to a deeper level.

## Journey Service

## Vacation Bible School Volunteers

The planning and preparation for VBS 2018 has begun. The dates for this years VBS are June 3rd - 7th. We are looking forward to a wonderful experience. We are asking all volunteers to sign up in the Gathering Area Sunday Mornings or on the Bulletin Board by February 18th.

The purpose for the early sign up is so we can have an idea of the number of volunteers available. For everyone to have a meaningful experience, we want to have the appropriate number of children in manageable groups. This means that we will be limiting the number of children according to the number of volunteers we have available. Also, The February 18th date allows us to have a clearer idea of the numbers, so we will be able to order supplies. Thank your for your commitment to children through your support of Vacation Bible School.

## Sanctuary External Waterproofing Repair Update

Thanks to your extravagant generosity, we are on schedule to repair the damage caused by moisture to the interior of the sanctuary. This will be scheduled once weather permits. We will remove the deteriorated plaster from the sanctuary, take photos and watch to ensure the exterior problem is solved before we repair the interior damage. This process may take several months. We have no estimate of the cost for the interior repair. It is our hope to have the funds as soon as we can determine the exterior repair has stopped the interior damage. We continue to receive your generous gifts toward the Maintenance Fund for this project.

Thank you again for your generous gifts toward this need.  
Jerry Long
