Everybody Always Study Info

What happens when we stop worrying about a challenging world full of difficult people and instead simply love everybody? In the highly-anticipated follow-up to the bestselling phenomenon Love Does, Bob Goff takes readers on an entertaining, life-altering journey into the secret of living without fear, care, constraint, or worry. Bob steps into life with a no-limits embrace of others that is as infectious as it is extraordinarily ordinary. *Everybody, Always* reveals how you can do the same. During our time together on Wednesday evenings, we will watch 5 videos led by Bob Goff and discuss the ways we can take our next step forward.
