RETURN SERVICE REQUESTED

God, Thank you for:

Dear Church,

This summer we are working on several areas to gain greater clarity. One of the areas we are focusing on is Communications. I am so excited that we have a new church website. Shelby Dickey has worked very hard to design this new site. It is a work in progress and will continue to develop. Soon we will be launching our Church app that can be downloaded from the app store to smart-phones or other devices. We are also streamlining our calendaring process to have consistency across all the modes of communication: newsletter, bulletin, website, and eventually our Church app. It is our desire for you to have access to accurate information in ways that are best for you. I look forward to seeing you Sunday.

In Christ, Chuck
