Trades of Hope Party - Sunday, March 26th at 5pm

St. Andrews Classroom

IF:Gathering Women's Conference Update

In February, several women from PSDUMC gathered at Northpark Church (with thousands of women globally via web streaming) to be encouraged and inspired to live and be, especially to younger women, an example of Christ by studying and living into the word of God. An outgrowth of that conference is the promotion of Trades of Hope, an avenue to support women from around the world who have been in extreme poverty, victims of forced labor or sex trafficking, or have illnesses that prevent them from working in a traditional setting. Through Trades of Hope you can purchase beautiful accessories and home décor made by these women giving us all the opportunity to Shower the Globe with HOPE!
