Mission Statement

St. Luke Lutheran School provides thorough training in the Christian faith and knowledge of God's creation through the academic disciplines and Lutheran catechesis- all in a setting which serves as a laboratory for exploring God's creation and living as God's people under the Gospel of Jesus Christ.

Curriculum

In keeping with the purpose and commitment of St. Luke Lutheran School, the curriculum is based on the core disciplines and humanities, all of which is presented from a distinctly Christian point of view. Children at St. Luke receive a thorough education in the following areas:

- Lutheran Catechesis
- The Language Arts
 - Reading
 - English Grammar
 - Writing
 - Public Speaking
- The Humanities
 - Literature
 - Music
 - Art
- Mathematics
- Latin
- History & Geography
- Science & Technology
- Physical Education

Other Opportunities

Children may further develop and use their God-given talents through these enrichment programs:

- Band (gr. 5 – 8)
- Choir
- Outdoor education trip (gr. 5 -8)
- Field trips
- Competitive Sports (gr. 5 – 8)

Daily Prayer

Every morning, from about 8:30 to 9:00, the entire school body gathers for prayer, catechesis, and meditation on God's Word. The public, and especially parents, are welcome and encouraged to attend.

An Education for All Children

We have high academic standards which seek to promote excellence and achievement from all our students, but we are *not* an elitist school. We believe that all children can learn, especially when challenged and motivated by specific knowledge, high expectations, exceptional teachers, and the discipline and support of parents. Our low teacher-to-student ratio, combined with our multiage approach to instruction, makes St. Luke Lutheran School an ideal setting for children with varying degrees of ability.

Faculty

Teachers at St. Luke are college graduates and are certified by the State of Michigan.

St. Luke's faculty is skilled and dedicated to nurturing growth in the Christian faith while equipping students for lives of excellence and achievement in service to God and man.

Admissions Policy

St. Luke Lutheran School admits students of any race, color, national and ethnic origin with all the rights and privileges accorded or made available to students of the school. St. Luke does not discriminate on the basis of race, color, or national or ethnic origin in administration of its admissions and educational policies or other school-administered programs.
