## BIBLE READING GUIDE: 4 DAILY READINGS

This plan provides four readings from four separate places in the Bible each day. Included are readings from the Gospels, the remaining books of the New Testament, Wisdom Literature, and the remaining books of the Old Testament. As a result, it enables you to better grasp the unity of the Scriptures, as well as enjoy the variety of four different viewpoints. Combined, these readings will take you through the entire Bible in one year.

To prevent the frustration of falling behind and to provide some reflection time, each month consists of only 25 readings. Since you'll have several "free days" each month, you could set aside Sundays either not to read at all, or to catch up on any readings you may have missed in the past week. If you finish the month's readings by the twenty-fifth, you could use the final days of the month to study the passages that challenged or intrigued you.

In the year ahead, ask God each day to speak directly to you from the Scripture portions you read. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior as you gain a better understanding of every part of His written testimony to us. You'll have several days each month to meditate more deeply on something that was significant to you in the past week, to catch up on missed readings, or to revisit favorite passages.

Allow God to speak to your life during this year. His Word is truly life-changing!
