Doing Good for God

Have you ever done something good because you knew you would be rewarded for it?

It is good to be good, but not if we are only seeking praise or rewards. God wants us to be good because it is the right thing to do. He wants us to do good because it means sharing His love with others. He wants us to do good because it brings us closer to Him.

But we want to be told we have done good. We want to win prizes and hear praises.

Now, it isn't wrong for people to thank us or praise us for the good we do. But we shouldn't seek it out. Instead, we should stay humble and keep doing good for God.

Doing Good for God

Have you ever done something good because you knew you would be rewarded for it?

It is good to be good, but not if we are only seeking praise or rewards. God wants us to be good because it is the right thing to do. He wants us to do good because it means sharing His love with others. He wants us to do good because it brings us closer to Him.

But we want to be told we have done good. We want to win prizes and hear praises.

Now, it isn't wrong for people to thank us or praise us for the good we do. But we shouldn't seek it out. Instead, we should stay humble and keep doing good for God.
