October, 2017

Dear Friends,

I trust that you are all well. I personally have so much to be thankful for, including God blessing us with an amazing first annual *Haiti Independent Baptist Fellowship* in August. Then He saved Haiti from Hurricane Irma and Maria in September. As I write this update in October, we are stateside to take care of my health issues...we count on your prayers.

Duguay Children Christian School – Thanks!

Do you remember the rooms that the mission group from Grace Baptist Church of South Dakota built for our Duguay church in July? These pictures show the blessed fruits. These rooms now serve two great purposes: Children's Church and Sunday School. Marie used them to establish a new Christian Children's School for the Duguay community starting in September with 8 kids. Please pray that God will use these new ministries to lead many children and parents to Christ.

2017 Haiti Children Christmas Donation

No matter how hard we find life's circumstances to be, we must always follow the example of Christ and strive to make life better for others - mainly the needy children. So, once again this year Marie would like to have special Christmas services for all the children in our schools and churches. During these Christmas services she plans, if God provides, to give them toys, a nice Christmas dinner and an opportunity for the lost ones to accept Jesus as their Savior.

In addition to the children churches in all the churches of our Fellowship we also have children's schools in the following locations: at *No Place Like Home Orphanage* in the capital, Leogane, Delmas, Duguay, and Port-Salut in the southern hills of Haiti. Marie and I humbly ask that you donate as God leads you for our 2017 Children Christmas project.

**Please send your Christmas donation
