January, 2018

*Dear friends and ministry partners,*

Marie and I want to wish you all a Happy New Year! We would like to praise God and thank you for your ministry partnership which helped us to reach Haiti for Christ through church planting, discipleship, Bible college and children's ministries.

## **TOY DISTRIBUTION TO 1,312 CHILDREN AND THE GOSPEL MESSAGE**

Thanks again to all of you friends and ministry partners who donated and made it possible for us to celebrate Christmas by giving toys and presenting the gospel message of Jesus' birth and John 3:16 to 1,312 kiddos. These children came from all 10 churches, 1 orphanage, 5 children's schools and Feeding Centers in our Haiti Independent Baptist Fellowship. We also reached out to selected kids who live in our neighborhood. If they are old enough to sin, they are ready to hear the gospel!

*The boys were ready to drive their new trucks!*

*Jesus loves the little children of the world!*

## CHRISTMAS IS ABOUT CHRIST'S BIRTH FOR MAN'S REDEMPTION - INCLUDING THE CHILDREN

Each year we take the opportunity of the Christmas season and toy distribution to tell the children the story of Jesus' birth, God's greatest gift to all.

They all loved the story. Some came forward to accept Jesus as their Savior! The children who are not yet of the age to understand, or those who have not yet decided to get saved, a seed was planted.

*Nana on the left and Josna on the right after trusting Jesus Christ to save them!*

On December 31, less than 10 minutes before the New year I got an email from one of our ministry partners Dr. Mark Renner, in which he told me how he is praying for Nana's salvation in 2018.

Then on January 5, something unbelievable happened. Two children in the orphanage, Nana (age 11) and Josna (age 8) came to Marie and I and told us that they want to get saved. After I satisfactorily questioned them separately to make sure that they understand the biblical meaning of salvation and why they wanted to get saved, I led them in a declaration to God based on the Roman's road. We then prayed with them to thank God for their new birth. Josna had lots of tears on her face. We rejoiced for this spiritual harvest. We all must continue to plant the seeds of the gospel in the hearts of men, women and children for the glory of God.

## CONCLUSION

I apologize for taking two pages to report to you, but I knew you would be excited to see the pictures of the toy distribution. Thanks for your prayers, your monthly support, and your encouraging emails during 2017. Marie and I are looking to do greater things together with you for Christ this New Year. In fact Marie and I are already starting to see great accomplishments by our God in these ministries. As it is written, "Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not." Jeremiah 33:3.

God recently answered two important prayers. I know you want to know, but just hold on for our next update in 4 more weeks.

We love you!
