

# THE MEIER FAMILY

**"God doesn't call the qualified, He qualifies the called"**

Hello again from Brazil! Thank you all for taking the time to read our prayer letter and for praying for us! There has been a lot of excitement here recently. As most of you know we have a vision to start a camp here in Blumenau and have been looking for a land to open up that would be ideal. We have looked at many but never had peace about them until recently a piece of land has come up for sale that we both think would be perfect for a camp! We are currently in negotiation with the owner, things tend to be much more complicated and take longer here in Brazil. Please pray concerning this land!

We have been holding services in our home with Monica and Sarah, please continue to pray for them. Recently the mall and a few parks downtown have began to allow dogs, so we have been taking our cattle dog, Queenie, with us when we go to evangelize. We have a back pack we put on her to carry the gospel tracts and invitations. Since we've been doing this it's amazing the opportunities that have opened up! The kids just love Queenie and her pink back pack, and are even more excited when given Gospel tracks from her backpack. It was difficult trying to start conversations with people but when we take Queenie, people are always coming to get a tract from her and talk to us as the kids play with Queenie! Pray for this as we have met a couple of families that have shown interest in having Bible studies, pray that they will contact us. God has used animals throughout the Bible and it is encouraging to have a faithful and always willing visitation partner! Haha.

In the next week or so we are going to have Sarah ( Monica's daughter) and her friends over for a fun time and Bible lesson with our horse, Desire (Whom Lori has been teaching tricks for the purpose of evangelizing). They are not saved so pray that they will have ears to hear and trust Christ as their Savior. Also as we get permission from her friends parents that we will have the opportunity to share the Gospel with them also!

For His Name,

Corey and Lori Meier
