## February 2019

**TOUCHDOWN!!!** No, I'm not referring to a recent football game, but rather the touchdown of an airplane in Saipan upon which Joshua and Amanda McClure were passengers. We always rejoice when a new missionary family arrives on the mission field for their first term of missionary service! There are so many obstacles missionaries face today on the road to the mission field. Joshua and Amanda covered 90,000 plus miles across the U.S.A. in 2 ½ years of deputation. They reached 96% of their support before arriving on the field of Saipan. We rejoice over God's goodness and provision. Please pray for Joshua and Amanda as they begin their first term of missionary service in Saipan!

Patty Bouillon recently had her visa approved to serve in New Zealand another two years. This is a huge praise! While New Zealand is already an expensive place to live, Patty's living expenses are increasing this year. She is praying for at least four churches who would be willing to support her at \$40 per month. Please pray with her about this need!

After 45 years of faithful missionary service, Dorothy McClure has retired. Mrs. Dorothy has had many health issues since Bro. David went home to be with the Lord in November 2017. Doctors have told her that she will be unable to return to the mission field of Saipan. After much prayer, Mrs. Dorothy felt it was time to retire. She will still have opportunities to serve the Lord where she resides in Florida, and we know God will use her in new and unique ways. We praise the Lord for countless lives that have been impacted through David and Dorothy McClure's ministry, and for the legacy that remains there in Saipan. Please pray for Mrs. Dorothy as she enters this new season of ministry.

### ***Health updates:***

As I write this newsletter, Chloe Smith is due to deliver their baby any day! Please pray for Chloe and the baby to be healthy. Also, continue praying for Felicity and Ophelia as they welcome their new sibling, for Bro. C.D. as he cares for Chloe and the family, and for the remainder of their support to be raised. We're excited for this family as they prepare to leave for the field of Palau in May!

Sarah DeWitt is due to deliver their baby girl the first part of March. Please pray for Sarah to remain healthy through the pregnancy and for the baby to be safely delivered. Also pray for Todd as he travels reporting to churches that he would be back with Sarah and the twins before the baby is born.

Meisha Deane is still recovering from having emergency gallbladder surgery December 31<sup>st</sup>. Please pray for Meisha to have a full recovery soon.

Retired missionary Dot Foster still needs our prayers as she now has to be on oxygen constantly and is still having issues with water retention. Please pray for a complete healing for Mrs. Dot.

Kyron Horton recently had cataract removal and lens replacement surgery. We praise the Lord that the surgery went well and he should be free of eye glasses from now on.

The following individuals in our missionary family need your prayers for ongoing health needs: Joan Adcock, Monnie Bacon, Juanita Bowen, Dale Brown, Monoka Brown, Phil & Mary Gagnon, Debi Harris, Ronda Hastings, Betty Hawkins, Norman & Jeanie Higgins, Mary Horton, Gary & Sandy Janky, Dana & Mark McCutchen, Brenda Morrow, Gayle Sparks, Jessie Starling, Amy Sullivan, Bonnie Winters, and Lanny Wood.
