Veteran Baptist Missionaries Serving in HAITI Since 1989  
Church Planting | Orphanage | Bible Institute | Feeding Centers

## SEPTEMBER-OCTOBER 2020 NEWSLETTER

*Dear partners,*

We trust and hope this update finds you in good health physically and spiritually. God had been merciful towards Haiti and the children at the orphanage. I do not know what is going on, but everybody seems to be doing fine without masks in church services, the Bible Institute, public places, and in our compound - all is well. In Haiti it is like another world, one would think the virus never existed. God has certainly spared Haiti from the evil virus. What a sovereign and merciful God we serve! I play soccer with the kids and interact with many folks mostly without a mask safely.

This year I taught Baptist History and the dangers with the "Prosperity Gospel" in person at the Institute. We also did a lot of work to renovate the wood building for the Bible Institute. I want to thank **Basehor Baptist Church, Kansas** and **West Orlando Baptist Church** for their financial contributions that made it possible to do the renovation. The students love this new place big time by the grace of God.

I am now back with the Florida Haitian Cross-Cultural work and soon I will return to the orphanage in Haiti for Christmas. Hopefully as God provides through you, we will be able to do our traditional toy distributions. Also, we have an upcoming graduation for the Bible Institute students who are completing 4 years of study. We also are planning a ministry ordination at our Pernier church for one of our students, among other important things.

We are praying about planning a trip to Dominican Republic in the coming months. Our planted church there continues to make progress under the leadership of pastor Daniel despite the social restrictions there due to the virus. There is an evening curfew that makes it difficult for evening meetings.

### \*\*\* CHRISTMAS CHILDREN OFFERING \*\*\*

I know times are difficult, but if it is possible by God's grace we would appreciate anything you can do to help us give the children in Haiti (and the Haitian children in Dominican Republic) a special Christmas this year. It would be awesome if we could receive your donation by the first week of December so we can buy the toys in time for Christmas.

Thank you again and again for your prayers, your encouraging emails, and your monthly support to help us reach Haitians for Christ in Haiti, Dominican Republic and Florida. You are always in our prayers.

*Your missionaries, Jacques and Marie*
