

GAYLE SPARKS  
RETIRED FROM MEXICO

Friends,

As we are coming to end of the year 2021, I look back, and I am amazed about how good God has been to me. I am so thankful for all the wonderful blessings I have enjoyed this year. I am also very thankful for all your prayers because I know through prayers, I am much better.

This past summer, I had the privilege of teaching in a camp with churches from Florida, Louisiana, and Georgia, and I also helped in two Vacation Bible Schools (one in Georgia and one in Alabama). I have been teaching children's church monthly in the church I attend in Alabama as well. My joy is in teaching children about Jesus. It thrills me to watch these children as they listen to stories about Jesus's life and accept Him as their Savior. I thank these pastors for inviting me to teach their children.

I have had (and still have) problems with my hemoglobin dropping very low, and when this happens, I have to get blood transfusions to bring my levels back to the normal range. Thankfully, the last trip to the hospital for blood was in June in Pensacola, Florida. Since then, I have felt much better. Again, let me say to you,  
**THANKS FOR YOUR PRAYERS!!!**

I appreciate your prayers and your monthly support, because without you, it would be hard to keep going forward. May you have a **great Christmas** and a **wonderful year in 2022.**

**GOD IS SO GOOD,**

*Gayle*
