Ministry Update

family happenings

Can you believe that 2 months of 2023 have flown by already? Our family would appreciate your prayers.

Veronica's grandmother has been ill for almost 2 months. She is in hospice care and in her last days. We have seen God's hand at work. His presence and peace have been with us.

Veronica just flew to Florida this week and is with her family in Abuela's final days. I remain in the Dominican with the boys. We continue with ministry and school. Please pray for our family during this time. We are so grateful for hope of heaven. Abuela will soon see Jesus face to face. We are also grateful for so many friends that have reached out to encourage us, pray with us and bless us. Thank you!

This year has been amazing so far.

So much to be thankful for. God hears your prayers and He is pouring out His mercy abundantly. Our school ministry continues to grow. Many students are being convinced by the Lord. So many have questions. Veronica was able to lead one of our long time student to the Lord. Edward recognized that he wasn't saved and he wanted to remedy that. Please pray for Edward as we start to disciple him. Another student, Sayleh, who came to know the Lord in October has been faithful in her discipleship with Veronica. Also, this last week, 19 of our students volunteered for Night to Shine, a wonderful night that celebrates life and children with special needs. It was humbling to see our students serve these strangers with so much love and compassion. Our goal at Las Palmas Christian School is to inspire our students to become biblical world changers. They were just that. Lastly, one of our students got baptized last week. Jillary is faithful to Bible study and youth group. We are happy that she obeyed the Lord in believer's baptism.

Another praise is the church in

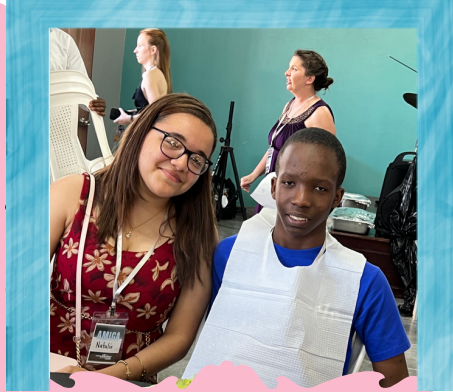

Ramón Santana. God is at work in that community. We are grateful for co-laborers from a neighboring ministry who have joined our efforts. People are responding and we are having visitors. They youth group and children's ministry are going strong with each ministry having 40 + in attendance We are having close to 100 on Sunday mornings. Please pray as the church hopes to soon become an independent church. It is still a mission branched out of IBEM in San Pedro de Macoris.

Youth group is off to a good start.

Our theme this year is GLOW for Jesus. We have partnered with Word of Life and are using their curriculum and quiet time. The teens seem excited. We look at what God is doing in that group. It is special. For those who have been praying about more youth leaders, God has provided. Our team this year has 6 new volunteers from the local church. Thank you for praying.

Night to Shine... 19
students volunteered.

Jilary got baptized

Jilary is one of our youth group girls. She came to know the Lord a couple of years ago at Las Palmas Christian School. We have been discipling her for over 2 years. We praise God that she decided to come forward in believer's baptism. It is an answered prayer to see her grow stronger in her faith and in her relationship with Jesus. She is bold about sharing the gospel with her friends and family. Please pray that her friends and her mom get saved.
