MARCH 2023 REPORT

NEW CONVERT

At the doctor's office a nurse accepted Christ. Pray Sherese allows the Holy Spirit to lead her and her two girls to attend our church.

CALL TO PREACH

Eighteen-year-old Michael Price accompanied me to Honduras last March. Recently he prayed and wept at the altar from 6:30 *until the service ended* at 8:30. He then testified of having surrendered to preach.

MIRACULOUS GROWTH

The seminary's second year attendance in the second quarter increased to 64 students from 7 countries, including 15 new students. A \$1,500.00 offering from our home church covers over two years of studies for 7 newly enrolled financially impoverished Venezuelan students.

Special offerings help poor students receive scholarships; many are pastors. Support is also needed to cover our low monthly expenses.

THE LORD'S ARMY

There is a strong desire among Latino believers to know the Bible. The internet is a present-day means to train a strong army. "The beginning of sorrows" dampens missionary zeal, but foreign nationals with strong Independent Baptist beliefs assure their churches continuity.

NEW CHURCHES

Pastor Fernando Montt shared that that Victoria has begun their second church in Rockingham, NC. It started with a family's salvation. Instead of driving two-hours, the church will be close to their homes.

Decades ago, the Lord said to let the nationals begin the churches. The hardest part of developing a church is having a capable pastor. The churches multiply as each begins with a seminary taught man.

The new church in Chokoalquín, Honduras, will soon have a roof on their rustic building. Next is a latrine, and later a cement floor.

PRAYERS POWER

Your prayers enabled our very sick daughter-in-law, Jane, to recover and leave the hospital after seven days. Your prayers will also result in our seminaries ministries exponential expansion in Argentina.
