March 2023

Hello, brothers and sisters in Christ! **GREETINGS** from the Horton family! We thank our God upon every remembrance of you. You are a blessing to us. Since our last prayer letter, so much has transpired.

HOME MINISTRY, Jeffrey, our youngest son, has decided to re-enlist in the US Army. However, he will be changing his MOS. Please pray that God

give he and his wife Sammy wisdom as Jeffrey continues to serve our country. Jessica and David are doing well and faithfully serving God. Isa and I have seen good spiritual growth in their lives. In the world we live in now it is not always easy to take a stand for Christ, and they have. It is a blessing to see a desire to follow Christ and His will. Fabio and family (US Air Force) will be moving from Alexandria, VA to San Antonio, TX in June. Our granddaughters will be staying with us during the summer while they are moving. We are thankful they will be stationed closer to us.

SPECIAL REQUEST - *Folks, we still have not been able to sell our house in Brazil. We don't always understand God's timing or purpose; however, Isa and I trust God wholeheartedly and want His perfect will for our lives. Please pray with us as we seek God's will in this matter. One positive aspect to all this is that Isa's parents needed a temporary place to stay and have been able to use our house for the time being. We are thankful to God that it is available for them.*

MISSIONS MINISTRY: there continues to be a growing number of Brazilian and Portuguese peoples living here in the Dallas / Fort Worth metroplex. My father, Bill Horton, has expressed his desire to work with the Portuguese speaking peoples living here in this area. Along with the ministry God has placed Isa and I in here at the WBFA Mission Office, we would be thrilled if God would allow us

to assist my father with the reaching of these precious people here in the United States. Please pray with us regarding God's leading in this opportunity.

A few letters back we asked you to pray for Ana Maria, a Brazilian lady Isabel met here in Arlington, TX. She travels from Brazil to the US and back twice a year. She is in Brazil now and has not been able to return. Please continue to pray for her return, her salvation and for God to open a door to be able to hold Bible studies in her home.

Please continue to pray for the work here at the MISSION OFFICE. We live in a broken world where the Gospel is more needed now than ever. God continues to call and send those who are willing to **GO!** Please pray if Perhaps God isn't **CALLING YOU** to missions. **We need more missionaries!** One of the privileges my position here at the mission office affords me is to be able to promote missions in Churches, Mission Conferences, Revivals and youth camps. **Isa and I have a great passion for missions.** We would appreciate your continual prayers that God would open unto us a door of utterance, to speak the mystery of Christ...and to be used of God with the experience God has given us. The HOPE of Christ is one thing so many people, *especially now*, are in great need of.

We are thankful to God to have the **WBFA BIBLE MINISTRY** and God continues to bless. Last week we were able to assist a missionary, Brother Josue Rodriguez in San Cristobal de las Casas in Chiapas Mexico, in getting 100 Spanish RV 1960 Bibles for his work. **PLEASE PRAY that God use His Word and His servants** in reaching many more souls for Christ!

Folks, we cannot **THANK YOU** enough for your **prayers** and **financial support** you send us. Your faithfulness to missions in this difficult time is an inspiration to us. Heaven has recorded for eternity your love and sacrifice for God and the Horton family. May our Lord God bless you always!

Praying for you until Christ returns,
