Serving Haitians in Dominican Republic, Florida, and Haiti

February – March 2023

My dear ministry partners,

I trust and pray that you are well by God's grace. I want to give praise to God and thanks to you for your continued prayers and financial support for our welfare and our mission works. Today, we are reporting to you on our mission works in Agua Loca, Santo Domingo, Dominican Republic.

After a few months of stabilizing the attendance numbers, our church in Agua Loca, Santo Domingo is moving forward once again. Sunday services are packed to overflowing and the congregation needs to buy additional chairs and pews for the sanctuary. Last week the total number in the sanctuary was overflowing for its capacity of nearly 150 attendants. Folks were standing at the door. I advised pastor Daniel to hold two services on Sunday morning. I give thanks and praise to the Holy Spirit for His acts in this ministry through my spiritual son, pastor Daniel and I believe that this amazing church growth is happening due to our obedience to the Lord's command for soul-winning efforts.

SOUL-WINNING: Daniel sowed the seeds of the gospel, then we watered the seeds together as we patiently and prayerfully waited on the Lord for results. Now this is harvesting time as we continue to spread the gospel in D.R, Florida, and Haiti just like a farmer does for his land.

PRAYER NEEDS: 1) Please pray for pastor Daniel who is renting in D.R. He owns a small piece of land near the church and wants to save money to build a small place on the land to live with his wife Vivianne and their 4 children (two girls and twin boys). I will tell you more about pastor Daniel's needs in my June update. 2) **Marie and I are planning a FURLOUGH to visit all of you, our supporting churches, friends, and potential new churches, starting October 2023 through October 2024, God willing.** We will tell you more in our April-May newsletter.

Thank you again and again for your Mission Partnership and God bless you!

In Christ alone,
Jacques and Marie
