SEPTEMBER 2023 REPORT

On the trip to Honduras Luis Meza, from Thailand, and Estafani, an airline employee, accepted the Lord. One message I preached resulted in six church members praying for freedom from demonic oppression.

FIRST SERVICE IN CHOCOALQUÍN

At my request, the brethren met on Thursday afternoon in Chocoalquín. I translated Michael Price's message for the first service in their new building. To not carry the rustic furnishings a half mile, and for protection, we left \$1,000.00 for windows and doors.

For some thirty years I encouraged the pastors of the seven churches south of the capital to have seminary classes. The men in their quarterly meeting set a date to begin.

Because of \$4,000.00 sent from Faith Baptist Church in Artesia, NM, plus a special offering, \$10,000.00 was sent for property in Carrisal. Your faithful support is essential for our ministry to be able to help provide churches with a permanent facility.

PASTORS' MEETING

A \$500.00 offering from WBF Bible Ministry was given for Bibles. A central church in two areas will purchase and distribute them.

because of Mary \$1,000.00 was sent to the camp. Her burden for our Honduran youth and ladies is very strong.

In the eleven years that we have been in the States, 33 new churches have started. Over 100 seminary students in 8 countries guarantee continued expansion.

Five churches, including Las Aradas and Calán, are evangelizing six needy communities. Pray the new converts in Masaguara revive spiritually.0000
