Dear faithful friends and supporters,

The adventure continues...25 years and counting!!!

On June 27 of this year, Julie and I celebrated 25 years of marriage! With so many ministry obligations, we had to wait until September to get away together. God provided for us to spend 8 days in Pennsylvania, exploring historical and scenic sights across the state. I thank God for the beautiful, godly wife He has given me, and it is a joy to serve the Lord together.

THE RECENT ROAD:

A couple of days after we returned from our anniversary trip, I had the unique privilege of speaking at a men's single's brunch at Good Shepherd Baptist Church in Grand Prairie, Texas. It was a blessing to minister to these men who desire to be godly men in an ungodly world. I then became ill and was diagnosed with COVID. I was very sick for a few days but recovered before our next appointment in Topeka, Kansas, where God blessed us with a good Mission Conference at Heritage Baptist Church. The following week, I travelled to Lancaster, California, for Spiritual Leadership Conference at Lancaster Baptist Church. Our Mission Agency was represented among the ministry tables set up at the conference, and I had some good conversations with pastors and students about missions. The following week, I preached at the World Baptist Fellowship Bible Conference back in Texas, and then it was off to Kansas City, Kansas, for a wedding, and Frederick, Oklahoma, to preach for Faith Promise Sunday.

AROUND THE CORNER: I am looking forward to preaching for the missions conference at Antioch Baptist Church in Rhome, Texas, in October, and then for missions emphasis at Bible Baptist Church, in Pace, Florida, in November.

PRAYER REQUESTS:

- Please pray for the salvation of our neighbors, Scott, and Julie's friend, Ashley.
- Please pray for us to stay healthy as we travel across the country while sickness is going around.
- Please continue to pray for wisdom in replacing our vehicle that now has over 222,000 miles on it.
- Please pray for Mallory as she finishes up the fall semester of her senior year.
- Please pray for Kyler, Emily, and Eden as they continue full-time deputation.

Words cannot adequately express how much we appreciate your faithful prayers for safety, provision, and good health as we serve the Lord. THANK YOU for supporting us!!

Serving the Lord together,

The Bacons
