Missionaries to **MEXICO**

October 24, 2023

Dear Friends,

In our last letter we asked you to pray for our upcoming Vacation Bible Schools, which were going to be held in three different cities. You must have been praying diligently, because the Lord gave us many, many blessings in our VBS ministry! As we had planned, we were able to hold VBS in the cities of Valle Hermoso, Zacatecas, and Gómez Farías. And Pastor Juan was also able to give materials and resources to a church in the city of Abasolo. So our VBS ministry was extended to four cities, and more than 50 children were saved during that time. Every one of those precious souls is a product of your prayers and your giving. And we distributed more backpacks and school supplies than ever before. Thank you for having a vital part in that important ministry.

Pastor Juan has started holding some Bible club meetings on Saturday afternoons. He is trying to reach boys and girls in other parts of the city of Valle Hermoso. We are supplying the materials so that a Bible lesson can be presented at each of the meetings.

One thing that has been a great blessing to us is seeing more of our church members get involved in serving the Lord. This year we had more VBS workers than we have ever had. And many of those workers are also helping with the Bible clubs. We thank the Lord for the privilege of training Christians to participate in the ministry of the local church.

As we observe the events happening in the world, particularly in the Middle East, we know that Scripture is being fulfilled, and the Second Coming of Christ is drawing near. This reminds us of the urgency of reaching lost people with the gospel of Jesus Christ. Thank you for your prayers and your financial support. You are helping us to take God's Word to many people who need to hear it. As we serve the Lord in Mexico, we are mindful of your partnership in our ministry. We love and appreciate each one of you.

In Christ,

Gary & Monnie
