DECEMBER 2023 REPORT

Seminario Bautista Logos second year miraculously has 90 students. The seminaries we serve have strengthened some 50 churches and produced 95 new churches in 8 countries.

The door opened to serve as a mentor with Ground 40. Their program enables me to help men transition back into the community from homelessness, addiction, and incarceration. Their three stage discipleship process grounds them on strong, biblical principles. Pray for wisdom to give wise advice to men like Nelson and Mark.

Eight years old Iglesia Bautista Sinai in Yamaranguila, Honduras, is building Sunday school rooms. Six years old Iglesia Bautista La Fe in Paraíso, Honduras, now has the roof over their sanctuary. Pray for the finances they need to complete their construction projects.

MERRY CHRISTMAS & HAPPY NEW YEAR
