Dear Prayer Warriors,

This year of 2023 is rapidly coming to a close. The past two months of ministry here have also been fast but full of blessings. In October, the **First Baptist Church of Vista Catalina** held a Missions Emphasis month, along with a mini conference, and a mission trip to a nearby sugar cane village. It was a great opportunity to evangelize and reach out to the needy and lost people there. They were able to feed around 100 people and hold an evangelistic event where everyone heard a clear presentation of the Gospel. There are some believers who congregate there and continue to work with the people of the village. Please pray for them! They also baptized a new member, **Rosa**. Her husband,

Jefry, came to know the Lord as a result as well, praise the Lord! November was Family Month. It has been a blessing to see the church grow in all areas over this past year, as well as to see new leaders step up. The focus has been Titus 2, "leaders are bred at home."

Please continue to be in prayer for the building program. The final permit is now pending. It has been a year long, strenuous process. The positives are that they will be 100% legal, and they were able to avoid paying thousands of dollars in taxes. If all goes well, by January, the building of the foundation should begin.

We pray all of you are having a great Christmas Season. Thanks to all of you for your faithfulness, prayers, and continued support. We look forward to see in the New Year, and the many opportunities we will get to be a blessing here. Thank you all again for allowing us to do it!

God bless all of You

The Pattons
