

PATTY BOUILLON

CHURCH PLANTING - SAN FRANCISCO

Dear Prayer Partners,

15 December 2023

Isaiah 9:6 "For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

December is now upon us, which means another year has come and gone. This year had a lot of ups and downs with family, work, ministry, and relocation. Here's a quick update on my mom - she had a checkup last month, and it wasn't great news. She now has two leaky heart valves and continues to retain water. The doctors put her on two new medicines, and one of them is causing her to throw up often. So please continue to pray for my mom and her health/heart.

As for my ministry work, I have now been in San Francisco, CA for four months working alongside Jake and Hali Woodfin. My main priority has been the children's ministry. We have an average of eight kids that attend weekly. Pray that we can get more people to help teach. Also, I have been helping with hosting the mid-week Bible study at my house when needed. It is in a great location for many church members to be able to attend.

In October, we participated in "The Great Hauntway" where we set up a Mario-themed booth and passed out candy, stickers, and tracts. We've had a few visitors come from that. One big blessing is the friendship I have formed with a married couple in our church who have excepted Christ as their Savior recently. Pray for John and Yessica as they grow and learn more about scripture and what it means to live a Christian life.

My part-time job working at the local gym has been going really well. I am able to share openly with so many lost souls about the reason why I moved here, which most times leads into talking about religion and Christ. Please pray for the many souls I come in contact with on a daily basis here in SF.

In closing, I am asking for a commitment. I am looking for a dedicated prayer team of about 300 people that will commit to praying for Branches once a week for the whole year of 2024. Anyone is welcome to join - church family, family members, friends, coworkers, etc. Throughout the month/year I will send out special prayer requests and answers to prayers and try doing a Zoom call quarterly. If any of you would be interested, please let me know by emailing me at bouipj@gmail.com with the subject "Prayer Team."

Hope you all have a very Merry CHRISTmas and a wonderful New Year!

**Onward for His Glory,
Patty Bouillon**
