FELLOWSHIP

January 2024

Dear Prayer Partner,

I want to thank all of you for your prayers and financial support. Through your help I have been able to conduct eight classes a week in Brazil. Plans are already in the making for the June trip to Brazil and a series of meetings in four different churches. The classes via the internet have enabled us as Paul said to the Corinthians (1 Corinthians 3:6) plant and water and see God give the increase.

The classes via the internet have put together some very inviting meetings for our trip in June. One of my goals is to display our Lord's profound wisdom and limitless power. With your help and prayers, we are helping Christians in Brazil fall deeper in love with our Lord as we encourage them to place confidence in His Word. In 2024, if the Lord does not return, we will strive to see the Lord Jesus Christ adorned as our Creator, Savior, and King.

In the year that was we have seen on every hand the relentless attack on the Word of God. The main area of attack begins with creation. Evolution is spreading in so many areas of life. There is no doubt that the world's confidence in the historical and scientific accuracy of the Word of God needs to be strengthened.

The inspired words of Paul are certainly being fulfilled "This know also, that in the last days perilous times shall come." God help us to occupy until He comes.

Unworthily His,

Wendell Fiers
