

Wendell & Cindy Johnson –Serving in Mexico

February 2024

These past three months have gone by so quickly! The Lord provided many opportunities of service for Thanksgiving and the Christmas season. We shared a meal at Thanksgiving for several pastors and their families. After the meal, everyone gave a testimony of how the Lord had blessed them throughout the year.

The Christmas season gave Cindy the opportunity to have several bell choirs. She was with the children in Agua Nueva, Bunuelos and La Joya; and with the ladies in Agua Nueva and at Iglesia Bautista El Calvario in Saltillo. Many times the parents of the children will come to hear their children play the bells; giving us the opportunity to share the Gospel with them.

I have given many Gospel tracts out. I always try to be sensitive to the Holy Spirit when He leads me to give someone a Gospel tract. I recently witnessed to “William” who said he had made a decision for Christ but has many needs in his life. I also witnessed to the man in this picture. He did not want share his name but appreciates your prayers. He did not seem to understand about having Christ as his Savior. Please pray for these men.

We were given winter hats and scarfs for the children which we took to several village areas which get very cold. With each one, we put a Gospel tract. We also gave baby hats to the Christian Medical Clinic for young mothers. What a blessing these hats and scarfs were to so many. Thank you Ms. JoAnn and Ms. Theda for making these hats all year long. We also had a church send us shawls for ladies. The first ones were given to the pastor wives. They were so thankful. The church in Agua Nueva had an evangelistic meeting for children. Several children prayed and accepted Christ. What a blessing to be a part of this outreach to the children!

Thank you for your prayers and support,

Wendell & Cindy Johnson
