

Tim & Betty Hawkins - Brazil

To all our Friends and Helpers:

March 2024

“ Bless the LORD, O my soul: and all that is within me, bless his holy name. Bless the LORD, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases; Who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies;” Psalms 103:1-4

Praise the Lord for His promises! Thank you for those who have prayed for us about Betty's health issues. We have been to several doctors and have gotten some answers. We saw the Spine doctor who sent us to the Hip doctor. The Hip doctor found a lot of Arthritis in her hip and suggests a hip replacement (wasn't on the list of things to fix). Went back to the Spine doctor after an MRI and he scheduled surgery for the 11th of March. Betty was having some chest pain so we ended up in the Emergency room. Nothing really wrong but she was sent to a Cardiologist for a stress test (March 14) and Sonogram (March 19) as she is having major surgery. Then she caught the Shingles and has to wait awhile until she gets over it. Re-scheduled the Spine Surgery for the 25th of March. Still doing tests and watching Videos about the surgery etc.

She hasn't had the upper part of her neck checked out yet. There was already one surgery done on her neck. That will be later on; when she recuperates from the lower spine surgery. Then we will see about her hip. Please continue to pray for the Doctors to diagnose and treat her.

Tim & Betty Hawkins
