## **MARCH 2024 REPORT**

Pastor Cristian Rodríguez, a seminary graduate, for decades has taught courses to an average of eight students. The seed they are planting in San Bartolo, El Salvador, will be the 87th church that your support has enabled our ministry to produce.

This next quarter a 14-hour course on the Major Prophets that I am recording will be part of the seminary's curriculum. Pastor Carlos Sevilla asked me to teach a 13-hour course on Christology. He also

said he would ask I be invited to speak at their annual pastor's meeting in Lima, Peru. Pray about my travels, as the door is still open to speak in Cartagena, Columbia.

Speaking with 22-year-old Elijah, who arrived at Ground 40 the previous day, resulted in his prayer for salvation. Jeremiah, a 28-year-old new arrival, gives evidence of a call to preach. Pray for this Biblically oriented program that enables men to be reincorporated from their addictions into a normal lifestyle.

Helping Pastor Bobby Helms develop our church's first Faith Promise Mission Conference resulted in the mission program's finances doubling. Besides adding new missionaries, the church is also substantially helping with seven large projects.

Missionary Asael Briones, a seminary graduate, will receive what is needed to acquire property for his new congregation in Juticalpa. Pastor Juan Martínez, also in Honduras, will soon have 1300 square foot building on their property in Carrizal.

As a result of my book, soon to be published in Spanish, a fellow member said that he was demon oppressed. A short explanation was used of God. The next service he testified of being freed. Jesus' blood has power!

Pray that our grandson, Billy Bratton, will not be away on maneuvers when their second child is to be born the middle of April.
