Church Planting | Orphanage | Bible Institute | Feeding Centers

April, 2017

Dear Ministry Partners in Christ,

We landed in Haiti on March 31st to resume our next term as missionaries. It was such a great reunion with so many field ministry workers, friends and especially the orphanage children and staff.

While we were on furlough stateside I have been praying to God for \$20,000 to buy a piece of land to build a small campus for our Institute of Theology. A few weeks ago, I even lost hope as I only had a short time remaining before leaving the States. Then BANG!!!! While I was preaching in my last conference at West Orlando Baptist Church, the pastor and the assembly surprised me with a stunning donation of \$14,500! We are now only \$5,500 short of the goal. This happened so fast that I was dazed with joy at the podium. Our heavenly Father knows best. I can now begin searching for a piece of land. What a blessed way to conclude our furlough.

NONE LIKE OUR GOD, AMEN!

Please pray for Pastor Moïse, he is a young man who loves the Lord and attends our Baptist Institute. He leads the Leogane church. This town is the shrine of Voodoo in Haiti, yet he and his congregants are on fire and winning souls for Jesus. Recently after he finished teaching on true salvation, 12 people stood and came forward to accept Christ as their Savior. Real revival is taking place in a church located on the devil's turf. There is none like our God, Amen!

PLEASE PRAY FOR THESE UPCOMING EVENTS

1) We have 6 mission trips coming from the USA this year, not counting construction teams from Ohio to finish the new building at the orphanage. The first mission team is coming this month from South Dakota. Pray for a life changing experience for everyone. There is none like our God, Amen!

2) We need the Holy Spirit to move mightily in our upcoming Haiti Baptist Fellowship Meeting. The theme of the conference is "The church mission is the great commission." It runs from July 30 through August 6 in the auditorium of Hatt Baptist Church that was rebuilt 6 years after the earthquake. Please plan to pray for us each day during these 8 days of blessed fellowship, preaching, workshops and a special love offering to support some of our planted churches and Theological Institute students. There is none like our God, Amen!

Thank so much for your prayers and your financial monthly support. We love you and may God bless you!

Your missionaries in Haiti,
Jacques and Marie
